HELP ME I AM IN THE DEVIL HANDS

By: Milton Malatse

God has sent an angel to call Khanyisa team to rescue the young lady from Wesselton that was believed that she is insane but when we brought her into the office together with a lady told us that is she from the place where they are plaiting the hair. During the interview with the lady she said was looking for someone who can help her, she believes that Khanyisa being a community Newspaper could find a way to help her.

We realised that she has been saying one thing repeatedly. Her name, surname and where she comes from. She also said that she is always followed by the people next her but can see them. She did not want to go the church apart of the one she says that she is

attending with unknown people because that people will be angry. She also added that there people that are use to rape her and give her R10 after sleeping with her others just walk up on and go. That was attaching story about her if people that if man take advantage of her life, that means that these people are cruel and selfish to decided to sleep with a person of that calibre. Despite a lot of allegation that she was making against the people out there but we realised that she needs a religious help. Khanyisa strongly believe that with God everything is possible and no one was born sick everything it is from the earth. Khanyisa would like to invite the priests, reverends from the churches around the district to pray for her so she can be healed.

Who will the messiah to help the innocent child of God? Please call Khanyisa Administrator at 078 221 0398/0839564588 E=mail: admin@khanyisa.co.za, milton@khanyisamedia.co.za
