I AM FREE

By Lindokuhle Selepe

I am free,

Like the white doves in the clear
blue sky
High above, I am free

I am free
walking in lonely street without
fear

I am free
to grow more love everyday
That is what our forefathers fought
for

I am free
They fought for peace in our
nation and now we as a new
generation must return the
favour

We must help our economy
to grow
We must not be the job seekers
We must be the job creators,
Job makers

We must make our country
an independent country,
But I alone can not do it,
all South Africans let's
help our country
We can help in so many ways
Like it says on the national anthem
“Let us live and strive for
Freedom in South Africa our land”
Let us strive fro our countries
economy.

I am free

Neighbor

Neighbor 1: "Hi, there, new neighbor, it sure is a nice day to be moving"
New Neighbor: "Yes, it is and people around here seem extremely friendly"
Neighbor 1: "So what is it you do for a living?"
New Neighbor: "I am a professor at the University, I teach deductive reasoning"
Neighbor 1: "Deductive reasoning, what is that?"
New Neighbor: "Let me give you an example. I see you have a dog house out back. By that I deduce that you have a dog."
Neighbor 1: "That is right"
New Neighbor: "The fact that you have a dog, Leads me to deduce that you have a family."
Neighbor 1: "Right again"
New Neighbor: "Since you have a family I deduce that you have a wife"
Neighbor 1: "Correct"
New Neighbor: "And since you have a wife, I can deduce that you are heterosexual"
Neighbor 1: "Yup"
New Neighbor: "That is deductive reasoning"
Neighbor 1: "Cool" Later that same day
Neighbor 1: "Hey, I was talking to that new guy who moved in next door"
Neighbor 2: "Is he a nice guy?"
Neighbor 1: "Yes, and he has an interesting job"
Neighbor 2: "Oh, yeah what does he do?"
Neighbor 1: "He is a professor of deductive reasoning at the University"

Neighbor 2: "Deductive reasoning, what is that?"
Neighbor 1: "Let me give you an example. Do you have a dog house?"
Neighbor 2: "No"
Neighbor 1: "Fag."

One Sunday morning,

Chelsea burst into the living quarters at the White House and said, "Dad! Mom! I have some great news for you! I am getting married to the greatest hunk in Washington. He lives in Georgetown and his name is Matt."

After dinner, the president took Chelsea aside. "Honey, I have to talk with you. Your Mother and I have been married a long time. She's a wonderful wife, but she's never offered much excitement in the bedroom, so I have fooled around with other women a lot. Matt is actually your half-brother, and I'm afraid you can't marry him."

Chelsea was heartbroken, but after eight months she eventually started dating again. A year later she

came home and very proudly announced, "Robert asked me to marry him! We're getting married in June." Again her father insisted on another private conversation and broke the sad news. "Robert is your half-brother too, Honey. I'm awfully sorry about this." Chelsea was furious! She finally decided to go to her Mother and tell her.

"Dad has done so much harm. I guess I'm never going to get married," she complained. "Every time I fall in love, Dad tells me the guy is my half brother."

Hillary just shook her head. "Don't pay any attention to what he says, Dear. He's not really your father."

MOTHER'S DAY MESSAGES

This morning when the Lord opened a window to Heaven, he saw me, and he asked: “My child, what is your greatest wish for today?” I responded: "Lord please; take care of the person who is reading this message, their family and their special friends. They deserve it and I love them very much ."

- 1.A Mother has strength that amazes Father’s. A mother can handle trouble and carry heavy burdens, holds happiness, love And opinions. She smiles when she feels like screaming. She sings when she feels like crying, cries when she is Happy. Her love is unconditional! She even forgets what she is worth...
- 2.Roads have speed limits..Banks have money limits...Buildings have height limits...But God’s love has no limits!
- 3.This is a special time to pray, to love, to care, to give, to enjoy, and to thank God , for what He does in your lives, especially appreciating His Grace. May the Lord look out for u and your families, have wonderful time.
- 4.The love of God is like the ocean, you can see its beginnings but Not its end.

5.This message works on the day you receive it. To some it may sound dumb, but the person who sent this to me was impressed with its timing. Let us see if it is true. ANGELS EXIST, but sometimes, since they don't all have wings we call them FRIENDS, SUCH AS YOU.

- 6.Sengathi uMdali anganivuthela ngenguzunga yezibusiso, nivuke othulini nithi nisathuswe yilikhho, anisakaze ngemvula yempama zempumelelo, nithi nisamangele, anilahle phansi ngembimbizane yothando, nizwe sengathi niyasangana,nithi nicela umaluju anivalelise ngesibhakela esiswini nindize niphalaze amashwa.
- 7.Thokozani, Injabulo yenu sengathi ingenyuka njengentengo ka petrol. Izinkinga zehle njengonmotho, kubantu nithandeki njengemali, ukuhlupheka kuphele njengodumo luka Malema. Nime naziwe njengenkinga kagesi. Nibusiseke ngothando njalo.
