

STARSIGNS

Aries
Relationship
The good news is that if you embrace the lesson in love you will begin to enjoy the fruits of a potentially enduring relationship with someone special that blends all of your physical, sexual and emotional needs in partnership.

Taurus
Relationship
The more important thing to consider however is that you'll be gearing up for some serious decisions.

Gemini
Relationship Forecast
You might not feel as beautiful and confident during this time and if so, your partner will surely get the vibe.

Cancer
Relationship Forecast
You and your mate might have a major pow wow over your life direction.

Leo
Relationship Forecast
There will be a critical turning point that rules spirituality and unconditional love, but also illusion, confusion and deception, will leave your relationship sector for good.

Virgo
Relationship Forecast
all of the warts you might have been focused on noticing in your partner will disappear. Problems you have been convinced might be deal breakers might suddenly vanish - but it's not because they've gone away or been solved.

Libra
Relationship Forecast
Libra, if you're in a relationship you'll have some interesting tests to overcome.

Scorpio
You and your partner will have considerable opportunities to work out any Kinks you may have in the bedroom.

Sagittarius
Relationship Forecast
You'll have the most enticing Energy for partnership bliss available to you

Capricorn
Relationship Forecast
The price you will pay for career achievements seems to be the toll it will take on your relationship.

Aquarius
Relationship Forecast
If your mate does however, lend you the support you Crave to explore your most progressive and unusual side, your relationship could take on a new tone of security and realism in the year 2012. This is all due to the influence of nebulous Neptune leaving your sign once and for all. Amen!

Pisces
Relationship Forecast
If your current partner doesn't quite fit the bill, it's Possible that you'll choose to close your eyes to this fact and remain hypnotized by a love spell that's nothing more than smoke and mirrors. If, however, you are in a good relationship, you will have every potential of the fairytale happy ending you yearn for.
