Two for Joy Social Club holds 2nd Elective Conference

The weekend of 67 April 2012 saw the Two for Joy Social Club hosting its second elective conference. This Conference comes at a critical time in the history of the Club, as it strives to stay relevant to the socio-economic realities within which the Club operates. The Club has adopted a new constitution and other key resolutions were taken that should see the Club reach greater heights. The Club has also established the following committees which will see the more efficient running of the operations within the Club:

- Sports and Recreation
- Organising and Recruitment
- Welfare and Lifestyle Orientation
- Investments and Assets
- Social Responsibility
- Disciplinary Committee

The 2 day elective conference ended on a high note with the election of the following office bearers:

- President -Mr. M Madonsela
 - Chairperson-Mr. S Mkwazazi
 - Deputy Chairperson-Mr. V Mdluli
 - Treasurer-Mr. J Tshabalala
 - Secretary-Mr. D Buthelezi
 - Deputy Secretary-Ms. B Tilly
- Each of the committees as listed above will also be represented by

its chairperson on the executive committee of the club. The Club, having identified the need to continue to plough back to its communities, have recommitted itself to its social responsibility programmes of providing monthly grocery hampers to 10 instead of the initial five families as well as buying school uniform for 50

instead of the initial 25 learners. With this initiative, any kind of sponsorships towards increasing the number of families and learners that can be assisted will be greatly appreciated.

It is the long term objective and vision of the Club to become and remain a self-sustaining

organisation that can better become involved in the affairs of Lekwa as a whole for the sole purpose of always being able to plough back to its communities. For the support thus far received from all our patrons, we are deeply humbled and eternally thankful and grateful.
