FACE MALTREATMENT

AND WIN THE RACE

(By the man of God Pastor Elijah & Ntokozo Masina)

Maltreatment is the harsh treatment from others to compel you to their own way of doing things.

As the child of God who lives by God's Word, you'll surely be maltreatment. Jesus states clearly by saying “if they have persecuted me they will persecute you, if they have hated me they will also hated you.”

Everyone who wants to be like Jesus must be ready to receive persecutions like He did. By doing so surely the Lord will honour you irrespective of the persecutions that come your way.

God knew that we would encounter problems and challenges in this world, but He confirmed that as we remain in Him, we

would live a life of peace even in the face of hardship. (John 16:33) ” **These things I have spoken unto you, that in me ye might have peace. In the world ye shall have tribulations: but be of good cheer, I have overcome the world”**

“ I thank you Father for the comfort and strength that I get from your Word; therefore in the midst of raging opposition, I shall not waver but shall continue in your Word, doing that which I'm called to do, by the power of your Spirit, in the Name of Jesus Christ. Amen.

PROFFSESSION OF FAITH

The important of Faith -What is faith?

According to the bible the are two people who lived by faith. **Mary and Abraham.** In our lives let's try to promote the Spirit of Trust so we can absorb the spirit of Forgiveness which is the sign of Christ Forgiveness.

Through this we will have the spirit of Reconciliation. Which means Do not bring old life when accepting a new life. Faith GIFT from GOD. Faith is a simple reality, where by both for the educated and most

uneducated person who cannot even read nor write as well as for the most cultivated one.

The mystery of faith brings birth to communion called the church of Christ.

To have faith is to be sure of the things we hope for, to be certain of the things we cannot see.

We are by nature a being coming from GOD and going back to him.

We live a fully human life only if we freely live by our bond with God. From faith you can Trust, Forgive, Reconcile.

This brings you to the meeting of those who do not believe.

Whereby you have to motivate them to receive Christ as their personal Savior.

The life of Faith

It is the most important element of life. It helps you to discover your innerworld.

Act of Faith, which transform our destiny from a purely human one to one truly divine, is painful to nature, and calls for a heroism of which we would not be capable.

God has already given us the grace to make the initial effort and maintain it.

Faith give us assurance of the divine promises.

This is an strict guide but an infalliable one.

In sort we must learn to place our trust in God.

God’s natural presence in all things. ✍ God is everywhere-a simple truth all too easily forgoton. “We tie our

self at times by trying to imagine god as someone far away, then our prayers suffer accordingly.

✍ God is spirit-his presence is unlimited to any one, anywhere. Without his presence you can’t lift a finger.

✍ God is pure- therfore he produces holy fire and burning zeal. He is like a fire which cannot contain it’s self. It is by this fire our Lord came to bring down to the world.

✍ God has not made it possible to us to share in the life but he has desired with to remain among us. One tiny spark of faith is enough to transform spiritually the whole world. Our Lord is calling us.
