A MOTHER’S MOUTHPIECE

Mother's Day was a day to celebrate the love that is a mother and with this in mind Sappi held the annual Mother's Day Concert in the Lowveld Botanical Gardens on 13 May 2012. Hundreds of families packed their camping chairs, picnic baskets and blankets and headed for the event.

Ek is Zander van der Merwe. Ek word 10 jaar oud. Ek het my groot sussie gevra om my te help want ek het nie 'n selfoon nie. My mamma is die heel beste want sy maak vir my baie lekker kos. Sy help my met huiswerk en vat my krieket toe.

Sy noem my poepies, ek like dit nie baie nie. Sy raas partykeer met my maar sy sê dit is omdat sy lief is vir my. My mamma is cool!
This is the winning entry of the MPowerFM Sappi Lowvelder Mother's Day SMS competition. Children were invited to enter the competition and write an SMS as to why their mothers are the best. 10-year-old Zander van der Merwe wrote the best SMS and won himself R1000 from Ford Go Further. He also won his mother, Lize van der Merwe and a partner, a weekend away to the Royal Safari Lodge to be treated.

A highlight of the day was the talented singers who performed for the crowd. With the likes of Jannie Moolman, Thean Kotze, Liesl du Toit and Zanne Stapelberg the concert left everyone astounded by the brilliant South African talent. Songs like *What a wonderful world, Torna a Surriento, O Sole Mio, It's now or Never, Nessum Dorma, On the street where You Live (My Fair Lady), Fly me to the Moon, Sway, Lippen Schweigen, The Prayer, Libiamo (La Traviata), Time to say goodbye, Phantom of the Opera, Ne Andre Lontana* and *The Jewel* song completely stole the hearts of every music lover

who attended the event.

The performers' fantastic voices were complimented by a violin and rhythm ensemble. The show was directed by Huisgenoot Skouspel extraordinaire, Janine Neethling, who ensured everyone remembered the Mother's Day event forever! Even the kids had heaps of fun at the kiddies corner that included supervised activities like face paint, jumping castle, Mother's Day card-making workshop, living memento potting workshop, Bakers Cupcake Corner, lucky draws and MPowerFM's Harry the Heart!

All the kids gathered around Harry wherever he went and hugged the great big orange heart. MPowerFM is very proud to have been the media partner of the Sappi Lowvelder Mother's Day concert. Manager: Highveld Studio and Brand Marketing, Jane de Jager said: "It's a real honor to be a mother of three wonderful children. Thank you to Sappi and Lowvelder for the Mother's Day concert that will remain in my heart the rest of my life!"

A somber atmosphere is currently engulfing the country and our province, as we are battling to come to

terms with the passing away of **Comrade Florence “Mam Flo” Nyanda** a dedicated and selfless cadre of our movement.
We are saddened by the death of Mam Flo, who was called to her final resting place on the 6th of May 2012 at her KaNyamazane home after a long illness. She was a long standing Member of the ANC Women's League, who was the champion of women's rights and gender equality. She has served the

As we continue to celebrate the centenary of the people's movement the African National Congress, let us do so in remembering the priceless contribution and sacrifices made by Mam Flo when she was still alive. Let us continue on her path to fight for our people's rights, especially of women, children and people with

disabilities the vulnerable groups which were close to her heart.
By so doing, we would be honouring her and acknowledging the live well lived.
To the Nyanda family, and Mam Flo's family within the ANC, you do not walk alone. My thoughts are with you during these trying times. Comrade Florence will remain an inspiration and a beacon of hope for women in our country, and our province in particular, who must continue to emulate her commitment
